LINEN GUIDE & FAQ

We love making your event run smoothly — and that includes the little things, like linens. Whether you're after a perfectly coordinated look or just want to give a few tables some extra polish, our rentals make it easy. Classic, simple, and ready to go... so you can spend less time fussing and more time celebrating.

LINEN OPTIONS

We currently offer the following linen rental options:

Square Tablecloths 85" x 85" (Black, White, Ivory)

- **6-foot tables**: These linens don't reach the floor on the short ends. Want full-length? Use two per table.
- **8-foot tables:** Two linens are needed for full coverage.
- **Round tables:** Our linens fit, but won't go to the floor. Some folks are totally fine with that for the ease of having less vendors, others prefer outsourcing linens for full drop — either way, we support your choice!

Spandex Cocktail Table Covers (Black only)

- Limited availability (approx. 10 available)
- By request only; best for standing-height cocktail tables.

Linen Napkins (Various Colors)

- A simple touch that adds polish to your place settings. Great for plated meals, formal events, or just because you want it to look sharp!

LINEN GUIDE & FAQ

LINEN USE & OPTIONS

Food Service Tables: Any table our food touches gets a complimentary black linen that we will bring with us. We've got this part covered — literally!

Client & Guest Tables: For guest tables, head tables, or anything outside of food service:

- Rent linens from us, or
- Bring your own — your call! (just let us know so we don't ask if you need them)

*We're happy to help you figure out the right sizes and how many you'll need based on your setup.

PICKUP & RETURNS PROCESS

PICKUP

Most folks swing by the week of the event. That way, you've got linens in hand to decorate, set centerpieces, and prep ahead of time. We will schedule this with you at your final check-in call with our team.

RETURNS

We'll give you linen return bags. After the event, drop them back off:

- *During Office Hours:* Monday–Friday, 8:00am–4:00pm
- *After Hours:* Use our linen return bin around the back of the building

*Friends, family, planners — anyone can do the return for you.

CLEANING, DAMAGES, & FEES

All linens arrive clean, pressed, and ready to go. We do not steam linens, so there may be some fold marks. Most guests do not notice, but if you would like to iron or steam beforehand, please do! **No need to clean before returning — just bring everything back as-is.**
We expect some wear, but major damage or missing items may incur a replacement fee.

OTHER FAQS

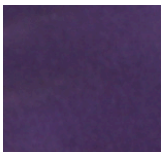

Do I have to rent linens from you?
Not at all! But many folks do just to keep things simple.
Can I see samples?
Yes — we've got photos and digital color swatches. We have linens on display if you are coming for a tasting, as well.
How do I know how many linens I need?
We can help! Send us your table count or layout, and we'll do the math for you.
Can I add or change my linen order later?
Yup. We recommend finalizing at least 10 days out, but we'll try to accommodate late adds if we can.
